**A Group Program for  
Mothers and Children  
Healing From  
Domestic Violence**

**A FREE program, offered Wednesdays this autumn,  
starting September 28, 2022 and running for 10 weeks**

This program is for:

- Mothers who have experienced abuse in intimate relationships
- Their children, ages 5 to 18, who have witnessed abuse in their homes
- Mothers living apart from the person who abused them

Multicultural facilitators are there to meet the needs of those from diverse ethno-cultural groups. Interpreters are available for women and children who do not speak English.

Each group session will include:

- Interactive large group activities and family activities
- Smaller group activities for mothers and children
- A different topic weekly about healing from abuse
- All program supplies provided
