

WHEN LIFE GIVES YOU LEMONS, **MAKE LEMONAID!**

lemonAID day started in the Niagara region with a child who wanted to help other kids. He chose to raise money for the children's aid foundation in Niagara by selling lemonade so that kids could go to summer camp. That event now raises \$100,000 annually to send 500 children to summer camp!

While this started with kids helping kids, anyone can participate! **lemonAID day** is the perfect event for families, sports teams, neighbours, businesses, schools, churches, any group, to get involved in the community and to have fun doing it!

There is no cost - everything is supplied! You just have to register and get your stand ready to go!
